

TESTIMONIALS

“We love Genevieve’s pizza shells.

Preparation is so easy with dinner in minutes!”

Rosemary Taipale, Natural Excellence Farm

“The peach bread tasted like real peaches all the way through, nothing artificial. It didn’t last long!”

Susanne Denman Thatcher, Sunburst Alpacas

“Having Genevieve’s Kitchen as part of our baked goods has been a no-brainer for our business. Quality ingredients and incredible flavor are the hallmark of our brand, and Genevieve’s has both. The biscotti are always delivered fresh, professionally wrapped, and they sell quickly so waste is a non-issue.”

Matt Campbell, Branch Street Coffee Roasters

Ancient Grain Baked Goods

ANCIENT GRAIN BAKED GOODS

BUSINESS TO BUSINESS, A PARTNERSHIP IN THE BAKING

Genevieve’s Kitchen specializes in delicious ancient grain baked goods made from organic local ingredients. We use primarily spelt flour, an alternative to processed wheat that is easy to digest and widely recognized for its many health benefits.

We love partnering with local retailers interested in complementing their current offerings with high-quality baked goods crafted from the finest ingredients.

HOW IT WORKS

- 1.** Once a partnership is established, we will work with you to decide which products best fit your needs.
- 2.** Depending on which products you choose, we will agree on a restocking schedule based on projected sales and demand. You'll also get convenient reorder forms that you can just text or email over to us if you begin to run out of products earlier than expected.
- 3.** After 90 days, or earlier if necessary, we will reassess your product needs and make adjustments accordingly.
- 4.** At any agreed upon time during our partnership, we will gladly hold tasting events at your shop to create interest, boost sales or launch new products.
